Located at the south end of the base along perimeter road. The camp has 10 recreational vehicle sites with electric connections (30/50 amp), water and sewage hook-ups. Picnic tables and grills are located at each site. An overflow area is available for dry camping—only when all other sites are full. There is a bathhouse, which also houses a coin operated laundry, located on the east end of the camp. In the overflow area you will also find a dump station (\$3 per use) and a large dumpster. Tent camping is allowed around the pavilion area.

Just across the street you will find Eagle's Nest Park, which is equipped with several pavilions, horseshoe pits, volleyball nets, and playgrounds accommodating children 2-12 years of age. Pavilions can be reserved for free through Outdoor Recreation.
