Email 436fss.fsw.landingclub@us.af.mil for more info regarding seating capacity and services offered.

OFFICIAL & UNOFFICIAL FUNCTIONS

Reservations for Official Functions are free, while Unofficial Functions are charged according to the event room reserved.

BAR SETUP FEES

Bar setup fees are \$75 for the first hour, then \$50 for subsequent hours. If the revenue exceeds the \$75, this is considered "meeting the \$75 requirement."

If the event ends before the initial first hour, costs will not be refunded.

A NOTE ABOUT FEES

If an unofficial function has a catered event with the food cost exceeding \$250, the room fee is waived.

If a bar is requested in conjunction with a catered event, the bar fees are waived.

FOOD & CATERING

All requests for food will be sent to a catering company for pricing.

If the event POC accepts the pricing presented by the caterer, then an event worksheet/contract will be signed accepting all costs.

Per DAFI 34-101, no outside food or beverages may be brought into an NAF facility. The only exception is for official events, where cake/cupcakes are acceptable. In this case, the person providing these items is fully responsible for supplying them for the event.
